"We Connect People To Services That Affect Their Hearts, Minds, Souls and Bodies"

Joyce M. Palmer
Executive Director

The Center for Healing Hearts and Spirits, through its collaborators, provide individuals with tobacco prevention education on the ills of tobacco products usage.

Each year in the U.S., smoking kills more people than murder, AIDS, drug abuse, alcohol, car crashes, fires and suicides combined. Health care costs in Arkansas alone total more than eight hundred and twelve million dollars a year.

Arkansas Protection From Secondhand Smoke for Children Act (ACT 811 of 2011)

FACT CARD

There is no safe level of exposure to secondhand smoke; even brief exposure can be harmful to children.

- Act 811 prohibits smoking in all vehicles when a child under 14 years of age is present.
- Smoking in a vehicle with children under 14 is a primary offense; a vehicle can be pulled over, and the driver may receive a ticket for violating the law.
- Any first offenders may have their fine removed by proving current enrollment into a program to quit using tobacco (tobacco cessation program).
- To quit tobacco call 1-800-QUIT-NOW, or 1-800-784-8669, for a free program including medication, while supplies last.
